Ribbon Cutting at The Nightingale

Supervisor Ridley-Thomas, Assemblymember Jones-Sawyer, county officials, Nightingale residents, and Linc's partners helped celebrate the opening of [The Nightingale](#) in unincorporated Los Angeles County on October 9. These 29 new supportive housing units provide a fresh start for our neighbors who have experienced homelessness.

Linc is Honored

Our team was excited to receive SCANPH's [Developer of the Year](#) award at last week's annual conference. Plus, Linc's [Mosaic Gardens at Westlake](#) community has won a 2019 Multifamily Executive [Award](#) – Project of the Year in the Affordable category. Their annual program honors the apartment industry's best people, programs, and projects. Thank you to all our partners who help make Linc's work so impactful!

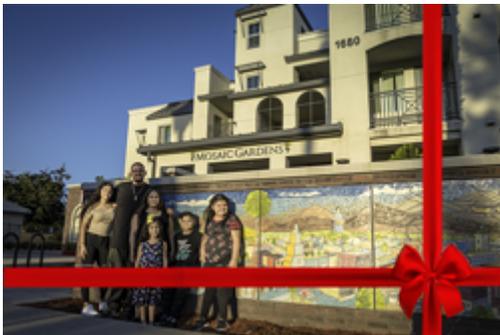

The Linc Between Hope and Home

You may have witnessed the unveiling of Linc's [new logo](#) at our 35th anniversary celebration this summer, and now you will be seeing our new look roll out across more of our platforms and communications! Red remains part of the brand heritage, paired with fresh new accent colors that modernize the brand moving forward. The logo retains three main shapes as a subtle nod to the former logo with sloped roofs. We're trading in our seldom used acronym format "LINC" for a new style that highlights the "linc" that Linc Housing is for those in need of affordable homes. Stay tuned for Linc's refreshed website in the coming months!

Cooking for Life

Residents filled the kitchen at the [Mosaic Gardens at Willowbrook](#) with the sounds and scents of food being chopped, stirred, and sautéed into delicious, healthy meals. Thanks to a 6-week course from [Common Threads](#), each week brought a fun new lesson on easy family recipes, basic nutrition, grocery shopping and cooking with kids. Families returned each session eager to learn the next dish and share the ways they were making smarter decisions about what they put into their bodies.

It's a Wrap! As our 35th anniversary comes to a close, will you help us wrap up the year by giving the gift of home for those who need it most? Your generous [donation](#) provides household necessities, youth enrichment programs, safe and beautiful apartments, and so much more. Thank you for being part of our journey to 35 years!
