Kids Making a Difference

A local Brownie Troop came to shower holiday hospitality on the families at Lorena Heights Apartments in the Boyle Heights neighborhood of Los Angeles. Eighteen young volunteers came bearing festive decorations and snacks. They brought new toys that they had carefully selected for the 15 children at the community and hosted a cookie-decorating party. Joy and laughter filled the room as the two groups of children came together for the celebration, evoking a deep sense of gratitude and unity. If you have a group that would like to volunteer at a Linc community, please contact ato@linchousing.org.

Thank you W.M. Keck Foundation!

Linc sends a special thank you to the W.M. Keck Foundation for their generous \$350,000 grant! These funds will be used for the construction of a child development center on the ground floor at Springhaven (current stage of construction pictured above), an affordable and supportive housing community in Willowbrook. Early childhood education services will be provided by Drew Child Development Corporation. We are excited and grateful for the Foundation's partnership in preparing children to succeed and thereby strengthening this neighborhood's future. [Learn more.](#)

Breaking Ground at Fairview Heights in Inglewood

More affordable housing is on the way! On January 22nd, we joined our development partner, National CORE, to celebrate the start of construction of Fairview Heights Apartments, a new 101-unit community for low-income families and people who have experienced homelessness. Mark Ridley-Thomas, LA County Supervisor for the 2nd District, and Inglewood Mayor James Butts spoke at the event, celebrating that this development will benefit not only those struggling to find affordable housing, but the community as a whole.
